## What, How, Why?

---

TCGCo: A blank canvas for businesses large and small, Social Enterprise and Not-for-Profit. For those that wear their values and seek to know **‘Who made my clothes?’** and **‘How that impacts the planet’**.

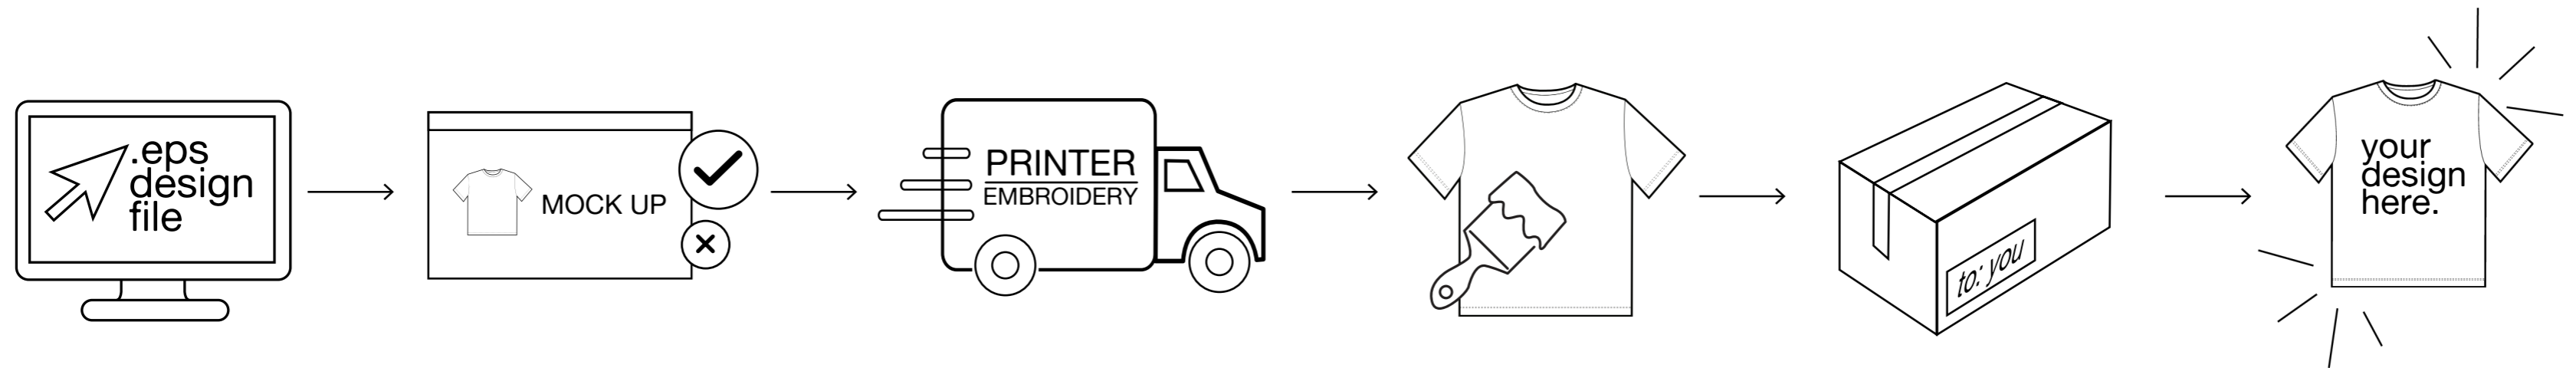

TCGCo uses recycled materials and ethical practices to manufacture apparel *‘in the benefit or interests of all.’*

## How it works...

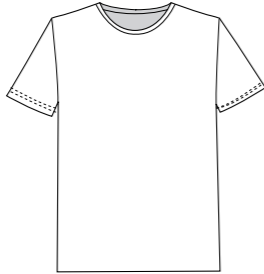

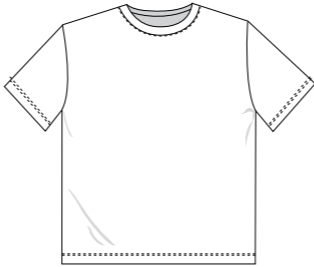

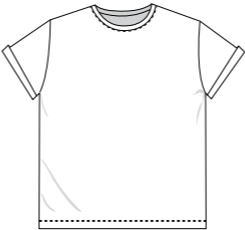

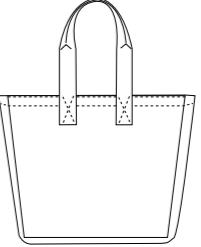

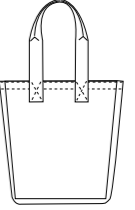

---

We've done the hard yards developing our **recycled textiles and manufacturing a range of apparel** so you can focus on your core business.

## Your Impact

By choosing TCGCo, you are able to measure the **environmental impact of your order**. TCGCo apparel comes with the following **ethical and environmental certifications**, enabling transparency across the entire supply chain.

✓ RECYCLED MATERIALS

✓ PRINTING/EMBROIDERY

✓ MARKETING ASSETS

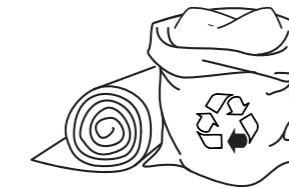

✓ ETHICAL MANUFACTURING

✓ GRAPHIC DESIGN

✓ LOGISTICS

For example:

An order of 100 t-shirts is made from:

**17kgs**  
of textile waste

**450**  
Plastic Waterbottles

Compared to a conventional  
cotton garment, it saves

**270,000**  
litres of water

**& 110kgs**  
of Carbon

We look forward to working with you.
